As a user of the Virginia Department of Game and Inland Fisheries' (VDGIF) Virginia Fish and Wildlife Information Service (VAFWIS), I understand and agree to abide by the following terms and qualifications that govern my access to and use of this system:

VDGIF is not responsible for the use and interpretation of data from this service by individuals outside of the agency. While the Department strives to ensure that the data are as accurate as possible, errors can occur. The Department does not warrant the data as suitable for the use to which they are being acquired. Questions concerning the use and interpretation of data should be directed to VDGIF (804-367-2211).

Data obtained from the VAFWIS are provided for information and planning purposes only and do not constitute an official legal opinion of VDGIF.

I understand that the VAFWIS is a dynamic system and that I am responsible for ensuring that queries are conducted in a timely manner in relation to my particular needs.

I agree to acknowledge VDGIF and the VAFWIS when data from this service are used in reports, publications, or in any similar manner.

I understand that VDGIF agrees to provide documentation and helpdesk support for the VAFWIS and updates to it as needed.

I agree to fully identify any and all individuals with use of and access to the VAFWIS using the login and password assigned to me.

VDGIF retains the right to terminate my access to the VAFWIS for violations of any of the preceding terms and provisions or other inappropriate use of the VAFWIS.

By signing this agreement, I declare that I understand the preceding terms and provisions and that I accept responsibility of adhering to the same.
